December 10, 1909.

Gebrüder Borntraeger,  
Schöneberger Ufer 12 a,  
Berlin W. 35.

Gentlemen:-

In reply to your letter of November 25th I would say that Vol. 3 of the Biophysikalisches Centralblatt was supplied, not by G. E. Stechert, but by E. d'Olliere of Saratburg, who will not send the missing numbers, No. 22 to the end of Vol. 3.. If I knew your price for single copies I would forward the money with this letter, but as you do not publish the price of single copies I can only repeat my order of September 18th, with the assurance that on receipt of the numbers and the bill the account will immediately be paid. Or if you prefer and will send a bill you may be paid in advance, but I must have the journals without further delay.

The question of the missing numbers of the Biochemisches Centralblatt I have taken up with Stechert.

Yours truly,

Librarian.
