## Tri-Institutional Collaboration Network [TCN]

### A Symposium on Public Access to Scholarly Research

Wednesday, April 16, 2014, 10 a.m. – 1 p.m.

Carson Family Auditorium, Greenberg Building, B Level, The Rockefeller University

Join us for a symposium on Public Access policies and challenges, and the potential impact on investigators and their institutions. Proposed Public Access solutions, such as the Publisher's CHORUS and Association of Research Libraries' SHARE models, will be highlighted and discussed. Academic press editors and librarians will share their actual experiences with the existing NIH PMC model.

Presented by The Rockefeller University, Weill Cornell Medical College, Memorial Sloan Kettering and Cold Spring Harbor Laboratory

#### **Welcome**

Timothy P. O'Connor, Ph.D.

Vice President for University Strategy and Research Operations, Chief of Staff, *The Rockefeller University*

#### **Moderator**

Peter Berkery, J.D.

Executive Director, *Association of American University Presses*

#### **Speakers**

**Public Access Overview; Summary of Publishers' CHORUS Model**

Fred Dylla, Ph.D.
