Tri-Institutional Collaboration Network [TCN]

Symposium on Basic and Translational Training and Diversity of the Biomedical Workforce

Wednesday, June 25, 2014, 1–4 p.m.

Caspary Auditorium, The Rockefeller University, 1230 York Avenue (East 66th Street)

Join us for an in depth look at the challenges and priorities in mentoring and training the biomedical workforce of the future to engage in diverse career opportunities across the national and global biomedical landscape. Presented by The Rockefeller University, Weill Cornell Medical College, Memorial Sloan Kettering and Cold Spring Harbor Laboratory.

Chair: Barry Collier, M.D., The Rockefeller University

Plenary Speaker: Sally Rockey, Ph.D., National Institutes of Health

NIH Physician-Scientist Workforce Working Group Report and Potential Impact on Training Programs in Clinical & Translational Science Awards (CTSAs)

Barry Collier, M.D., The Rockefeller University

Julianne Imperato-McGinley, M.D., Weill Cornell Medical College

Tri-Institutional Diversity Initiative SPARC

Chair: Bruce McEwen, Ph.D., The Rockefeller University

Laura Liberman, M.D., Memorial Sloan Kettering and Weill Cornell Medical College

Carla Boutin-Foster, M.D., Weill Cornell Medical College

Teresa Evering, M.D., M.S., The Rockefeller University Hospital and Aaron Diamond AIDS Research Center

Basic & Translational Training in Biomedical Research

Ana Pereira, M.D., The Rockefeller University

Samantha Sheppard, Ph.D., Memorial Sloan Kettering

Jonathan Ipsaro, Ph.D., Cold Spring Harbor Laboratory

Kwame Osei-Sarfo, Ph.D., Weill Cornell Medical College

Registration is required. For more information: www.tri-cn.org/index.php?page=TCNEventJune2014

For questions contact Jennifer Jackson at sr-pd@rockefeller.edu

Co-sponsored by The Rockefeller University Center for Clinical & Translational Science, Weill Cornell Clinical & Translational Science Center, Tri-I & CSHL Postdoctoral Associations and Offices of Postdoctoral Affairs, and SPARC (Successful and Productive Academic Research Careers)
