A GUT MICROBIOME-BRAIN INTERACTION SYMPOSIUM

Thursday, October 23, 2014 | 1:00–6:00 p.m. | Carson Family Auditorium

Hosted by The Center For Basic and Translational Research on Disorders of the Digestive System (CDDS) at The Rockefeller University and the Center for Advanced Digestive Care (CADC) at New York-Presbyterian/Weill Cornell Medical Center. Sponsored by The Leona M. and Harry B. Helmsley Charitable Trust.

Please register at: <http://www.rockefeller.edu/microbiome>. The deadline for registration is **October 17, 2014**.

1:00–1:30 p.m.	Registration Greenberg Building, Lower Level
1:30–1:40 p.m.	Welcome Daniel Mucida, Ph.D., The Rockefeller University
Session I	Moderator: Dan R. Littman, M.D., Ph.D., New York University School of Medicine
1:40–2:10 p.m.	<i>Unexpected Roles of RORγ-t and Pro-inflammatory Th17 Cells</i> Jun R. Huh, Ph.D., University of Massachusetts Medical School
2:10–2:40 p.m.	<i>Microbiota and Neurodevelopmental Windows: Implications for Brain Disorders</i> John F. Cryan, Ph.D., University College Cork
2:40–3:00 p.m.	Coffee Break Greenberg Building, Lower Level
Session II	Moderator: David Artis, Ph.D., Weill Cornell Medical College
3:00–3:30 p.m.	<i>Gut Microbiome Brain Communication in Humans</i> Emeran A. Mayer, M.D., Ph.D., University of California, Los Angeles
3:30–4:00 p.m.	<i>Gut-Brain Axis: How the Microbiome Influences Behavior</i> Jane A. Foster, Ph.D., McMaster University
4:00–4:30 p.m.	<i>A Bioimmunomodulatory Approach for Prevention of Stress-Related Psychiatric Disorders and their Medical Comorbidity</i> Christopher A. Lowry, Ph.D., University of Colorado Boulder
4:30–4:50 p.m.	Coffee Break Greenberg Building, Lower Level
Session III	Moderator: Daniel Mucida, Ph.D., The Rockefeller University
4:50–5:20 p.m.	<i>Maternal Stress and the Vaginal Microbiome: Impacts on Neurodevelopment</i> Tracy L. Bale, Ph.D., University of Pennsylvania
5:20–5:50 p.m.	<i>Microbiome-Gut-Brain Interactions in Autism Spectrum Disorder</i> Elaine Y. Hsiao, Ph.D., California Institute of Technology
5:50–6:00 p.m.	Closing Remarks
6:00–7:00 p.m.	Social Hour Faculty Club
